The motion for immediate consideration is GRANTED.

The motion for reconsideration is GRANTED. In the previous motion, plaintiff-appellee failed to specifically request a remand and appeared to ask this Court to direct the trial court to take specific action. We declined to do so. The matter is REMANDED to the trial court solely for the purpose of that court exercising its discretion to consider and decide the motion to amend. We ask the trial court to rule on or before April 12, 2021. We retain jurisdiction.
